Re : Registration Materials for 2019-2020 Academic Year
Date : February 1 , 2019

Assalamu Aleikum Parents:

It's hard to believe that it's time to talk about enrollment for another great year at Manarah. As you may know, we are currently in our 15th year of operation and presently have 138 students attending Pre-Kindergarten through 7th grade, Hifz, and MSA (Manarah Student Ambassadors Program 8-12). I am excited to announce that in the 2019-2020 school year we are adding a traditional grade 8.

Manarah operates a full day schedule from 8:00 a.m. to 3:00 pm. We offer a full time and part-time Pre-K programs that are based on solid early childhood standards established by the National Association for the Education of Young Children (NAEYC). Pre-K (full-time) students are accommodated with a nap time after Zuhr prayer for approximately 35 minutes. Our elementary and middle school programs follow established Pennsylvania standards of academic excellence per the Pennsylvania Department of Education. Last, our specialized programs, HIFZ and MSA, focus on the development of excellence in Islamic Deen and religious studies. We strive to meet the needs of our parents; hence, an after-school program may be available for families who are unable to pick up their children by 3:15 p.m. This program is offered on an as-needed basis for an additional fee.

We currently have a teaching staff of highly qualified individuals. Between staff that hold teaching certifications and/ various degrees and experience within the field, our students are well prepared for their future academic endeavors. Our academic curriculum for all subjects is rich, rigorous, and aligned to the PA. state academic standards of achievement. Our Islamic Studies program features the *I Love Islam* series by Islamic Services Foundation accompanied by intensive supplementary materials that promote real-world connections and applications of deen. Our Arabic Studies program uses *I love Arabic Language* by Arab Education Bureau of Gulf States. Both curricula were carefully selected to provide our students with the best possible academic and religious education. Currently, we are undergoing curricular development particular to Islamic Studies and Arabic Language studies to implement current educational pedagogy, best practices in education, and methodologies found in no other Islamic Studies and Arabic Language Studies programs across the United States. Furthermore, we value parent input and feedback. On-going communication with parents is vital to the education process and is highly encouraged through progress reports, conferences, PTO meetings, social events, and volunteer opportunities.

Enclosed you will find the student registration forms for the 2019-2020 academic year. Please fill out the forms completely, and return all paper work , deposit, and registration fee (if applicable) to the Academy as soon as possible. Early registration will guarantee your child a seat at Manarah, help us plan appropriate student placement, allow us sufficient time to get teachers and staff, and help get the appropriate amount of curriculum materials needed. It will also facilitate your child's enrollment in the school since registration is on a **FIRST COME-FIRST SERVE** basis. **We open enrollment to all students on February 1st.**

If you would like more information about the Academy, please contact the school at 610-799-6223 or visit us on the web at <http://www.mia.manarahfoundation.org>.

Respectfully Yours,

Dr. Ismail Kashkoush, Council of Education President

Section 8: Disenrollment Process

The Council of Education (COE) would like to inform you of our procedures for collecting tuition and handling accounts in default.

Tuition payments will be reviewed at least every three months using the following formula:

Tuition minus (deposit) divided by 9 months and multiplied by 3 months.

Example (Grades 1 to 5; MSA; Hifz): \$5400 - \$540 = \$4,860 divided by 9= \$540 x 3 = \$1,620 per 3-month period.

Example (Traditional Grade 6—8): \$6000 - 600 = \$5,400 divided by 9= \$600 x 3 = \$1800 per 3-month period.

Example (PreK & KG): \$5,950- \$540= \$5,410 divided by 9= \$601 x 3 = \$1,803 per 3-month period.

The respective review periods are:

Review 1: Sep 1 thru Nov 1

Review 2: Dec 1 thru Feb 1

Review 3: Mar 1 thru May 1

Full tuition is due by May 1st

Below are the procedures for the collection of payments:

For Example, Review 1: *Calculated amount must be paid by November 5th.*

1. If payment is in default, a letter will be sent explaining disenrollment procedures.
2. If payment is still in default by December 5th, COE will call the family and explain disenrollment procedures again.
3. If payment is still in default, the student will be disenrolled on December 6th.
4. This procedure will repeat each review period using the payment formula and respective dates.

Section 18: Hifz Program Information

Qualified students have the opportunity to enroll in our Hifz Program when entering Grades 3 through 6. Tuition is currently \$5,400 per school year. In this program, students work on Qu'ran memorization with a qualified teacher and they attend regular classes with their peers. Memorization of the entire Qu'ran ideally takes 3 years in this program. Students who join the program in Grade 3 generally complete the program by 6th or 7th grade. Students who join in Grade 6 must complete the program by Grade 8 since we do not offer a high school program. Steps for initial Hifz enrollment are as follows:

- 1) Express an interest to the Academy, and we will assess if the student meets the basic requirements for enrollment in the program:
 - Student must be entering Grade 3 to 6 for initial enrollment.
 - Student must be fluent in reading Qu'ran and must have finished reading the entire Qu'ran at least once.
 - If entering in Grade 6, student needs to have memorized the 30th Juz.
 - Student and parent(s) must do an interview with the Hifz Committee to assess their readiness for this intense program which requires additional work at home, including during the summer months.
 - Parents must sign an agreement document outlining the school's requirements.
 - Student must get two recommendations from Islamic community members testifying that the student will be able to endure the program.
- 2) If the school determines that the above requirements are met, we will schedule the student/parent interview and student admission test.
- 3) If the interview goes well and the admissions test is passed, the student is admitted into the program.
- 4) Parents must also fill out the Manarah Islamic Academy Student Application form and submit all required fees, health information, etc. in a timely manner.
